SECRETARIAT, BEN 2934 22 NOV 1946 L S G BRANCH

THE CITY IMPROVEMENT TRUST BOARD,
'Ranga Vilas', Seshadri Road,
Bangalore, dated 20th Novr 1946

No 1455-

To

J B MALLARADHYA, Esq , M A ,
Secretary to the Government of Mysore,
Revenue Department, Bangalore

Sir,

I have the honour to state that the powers of the Chairman and the Board regarding the sanction to the work estimates have not been defined in the Bangalore City Improvement Act Consequently, all the estimates including petty estimates for repairs and maintenance have to be submitted to Government for sanction This involves delay even in the case of petty and urgent works In order to avoid this delay and also to facilitate the speedy execution of work, it is considered necessary that the Board and the Chairman on behalf of the Board should be empowered to sanction estimates for works--original as well as repairs-up to a certain limit

2. As per para 10 (1) of Sec 10 of the Act, the Chairman may on behalf of the Board enter into contract, where the value shall not exceed Rs 1,000/-, every other contract being approved by the Board as per para 10 (2) of Sec 11-13 A

3 As per G O No L 14238-43/M1 149-45-82, dated the 21st June 1946, the Board is empowered to accept quotations in the case of estimates for works up to Rs 5,000/- Keeping these facts in view, the following proposal was placed for consideration before the Board at its meeting held on 1st November 1946

"In order to avoid delay and also to facilitate the speedy execution of small works, the Chairman may be empowered to sanction work estimates for original as well as repair works up to Rs 1,000/- and the Board may be empowered to sanction estimates exceeding Rs 5,000/- but falling within Rs 5,000/-."

This was considered by the Board and after some discussion, it was resolved

"That the Government might be requested to empower the Chairman and the Board to sanction work estimates-original and repair works - up to Rs 1,000/- and Rs 5,000/- respectively "

I request that sanction of Government may kindly be obtained to the resolution of the Board.

I have the honour to be,
Sir,
Your most obedient servant,

SIR,

Re Powers of the Chairman and Trust Board with regard to sanction of work estimates for both original and repair works of the Board

---

Adverting to G O No L 17586-9/R1 13-46-123 dated 27-6-47 conveying sanction of Government with regard to sanction of work estimates - both original and repair works of the Board, I have the honour to state that the Board in their meeting held on 1-11-1946 resolved "That in order to avoid delay and also to facilitate speedy execution of small works, the Chairman may be empowered to sanction work estimates - both original and repair up to Rs 1,000/- and the Board may be empowered to sanction estimates exceeding Rs 1,000/- but falling within Rs 5,000/-", and the same was reported to you in this office letter No 1455 dated 18/21-11-1946 But, the preamble to the Government Order referred to above is contrary to the resolution of the Board i e , the Chairman is empowered to sanction work estimates up to Rs 5,000/- and the Board are empowered to sanction estimates up to Rs 1,000/-

In these circumstances, I request you to kindly clarify the sanction of Government by substituting Rs 1,000/- and Rs 5,000/- respectively as against Rs 5,000/- and Rs 1,000/- incorporated in the preamble of the Government Order vide line 5, in view of the resolution of the Board passed at their meeting held on 1-11-1946 This would be consistent with Sec 10 (1) of the City of Bangalore Improvement Act

Early orders of Government may kindly be

communicated for the above modifications
